72 Hour Disaster Medication

Authorization To Administer Medication

STUDENT MEDICATION – Legal Reference: Education Code Section 49423

"…any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician, may be assisted by the school nurse or other designated school personnel, if the school district received (1.) a written statement from such a physician detailing the name of the medication, the method, amount, and time schedules by which such medication is to be taken, and (2.) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matter set for in the physician's statement." No other medication is to be administered by school personnel. This includes all medication available without a prescription. **Medication is to be sent in the original container labeled with the name of the student, name of prescribing physician, name of medication and instructions. This form must be completed and included. It is the parent's responsibility to update this form as needed.**
